The restaurant boasts stunning ocean views and reasonable prices for an oceanfront dining experience. While the [pizza](#) lacked substance, the local beverages and salads were a hit. Patrons enjoyed the wood oven pizza and salads, with great beer and wine options available. Despite the long wait times and lacking service on some occasions, the overall experience was recommended. The atmosphere was comparable to a Mediterranean vacation, offering mouth-watering pizzas and beautiful views of the harbour. A great spot for a fun lunch outing on the island, with attentive servers and delicious fresh toppings.
