On this website, you will find the **complete menu** of Pho Metro from Ajax. Currently, there are **37** meals and drinks available. In the vibrant world of Vietnamese dining, one restaurant stands out for its polarizing reputation. While some patrons rave about the rich, flavorful pho with tender beef, others express disappointment over bland dishes that fail to capture authentic Vietnamese flavors. Notable complaints include overly salty pho, lackluster fish sauce, and poorly executed rice and noodle dishes. Service has been described as friendly, though inconsistencies in food quality remain a concern. As new ownership breathes life into the establishment, it seems there's potential for improvement, yet discerning diners may want to weigh their options before deciding to stop by.
