On this site, you will find the **complete menu** of Trip de Bouffe from Mont-Royal. Currently, there are **47** dishes and drinks available. The restaurant offers delicious food at reasonable prices, especially the mezze like tabbouleh, olives, and labneh cheese. The Lebanese cuisine is a standout, with touches of lemon, sumac, fennel seed, and dill. The store also has pre-packaged to-go meals and a welcoming dine-in experience, making it a perfect choice for a lunch date or grabbing snacks like zaatar sandwiches and halloumi salad for a picnic. The staff is friendly and accommodating. The only downside seems to be the excessive use of plastic containers, which may deter eco-conscious customers. Overall, a must-visit spot for Lebanese food lovers in Montreal.
