On this homepage, you will find the **complete menu** of **Baldwin Street Burger** from Whitby. Currently, there are **51** dishes and drinks available. Though the service at this restaurant is great, the food quality has been inconsistent, with some dishes being hit and miss. Menu changes and staff turnover have affected the flavor and service. Portion sizes are appreciated and French onion soup is recommended. The burgers are fresh, delicious, and reasonably priced, with specialty options standing out. For burger lovers, this is a must-visit spot. On the other hand, another establishment received negative reviews for small portions and lackluster fish and chips. The overall ambiance and service left much to be desired, with subpar appetizers and disappointing main dishes.
