Happy Jack's, an iconic restaurant near the Niagara river, has been a beloved dining spot for decades. The food is consistently good, the service is attentive, and the patio offers a stunning view of the river. However, some customers have noted issues with the patio not always being open and cleanliness concerns in the ladies' room. Despite these minor setbacks, Happy Jack's remains a solid choice for Chinese cuisine with friendly owners, healthy options, and the ability to pay in American currency without an additional fee. Reviews also highlight the exceptional crispy beef, delicious chicken balls, and attentive service. Overall, Happy Jack's provides a warm and welcoming dining experience with outstanding Chinese food options at reasonable prices, making it a must-visit spot for both locals and travelers.
