A **complete menu** of Zeera from Pickering featuring all **55** meals and drinks can be found here on the list. The Indian restaurant in Durham, that once held the title of the best, seems to have lost its former glory according to recent reviews. Diners were disappointed with watery Mulligatawny soup, lackluster Butter Chicken, and other dishes that missed the mark. However, not all hope is lost as there are still positive reviews highlighting the delicious vegetarian options, large portions, and good prices. Despite mixed opinions, the restaurant offers an extensive menu and welcoming service, making it a worthwhile visit for those in the area.
