The **menu of Sushi Plus** from Montréal includes **84** dishes. On average the *dishes or drinks* on [the menu](#) cost approximately CA\$15. You can view the categories on the menu below. Dining at this restaurant presents a mixed bag of experiences. While some patrons rave about the impressive array of sushi options, delicious roasted dishes, and efficient service, many others report significant service issues, such as long wait times for both seating and food, often leading to ruined occasions like Valentine's Day and birthdays. The recent removal of popular items from the menu has disappointed loyal customers. Despite occasional praise for fresh ingredients and quick service, it's evident that consistency is lacking, prompting a call for improvement before it can reclaim its former glory as a sushi favorite.
