The *menu of Tim Hortons* from Langley includes **87** menus. On average the **menus or drinks on [the menu](#)** cost approximately CA\$6. You can view the categories on the menu below. Dining at this establishment presents a range of experiences. While the efficient service from the dedicated team adds a positive touch, the overall ambiance leaves much to be desired. Patrons have reported poor cleanliness, with trash littering both the interior and exterior, often leading to uncomfortable encounters. The quality of coffee disappoints, frequently tasting burnt. Additionally, recent issues with ordering, particularly regarding Timbits, highlight inconsistency in product offerings. Although the food has garnered praise, the combination of these elements makes for a dining experience that is overshadowed by maintenance and service shortcomings.
