The menu of Harvey's from Gatineau, contains about **91** different dishes and drinks. On average you pay about CA\$14 for a dish / drink. Harvey's has drawn mixed reviews, showcasing both loyal fans and deeply disappointed customers. Many praise the restaurant's customizable wraps and mouthwatering burgers, highlighting their freshness and flavorful BBQ options. However, issues such as order inaccuracies, inadequate condiment choices, and cleanliness have marred the experience for others. Complaints about poor service and kitchen missteps, particularly regarding poutine, suggest inconsistency in quality. While some find joy in the laid-back charm of Harvey's, others argue that the disappointing aspects overshadow the appeal. Overall, while the food can entice, it's important to manage expectations regarding service and atmosphere.
