At the moment, there are **98** meals and drinks on the menu. ****A Mixed Bag: Dining Experience at Regina's Sports Hub**** Regina's latest sports hub offers a lively atmosphere perfect for game days, complemented by a decent selection of pizza and gluten-free options. While some guests enjoy the friendly service and diverse menu, others report frustrations with incorrect orders and inconsistent service. Complaints about cleanliness and lengthy wait times have surfaced, detracting from the experience. That said, its vibrant ambiance attracts patrons, especially during Rider games, making it a popular spot for sports enthusiasts. Food quality fares better than service, but diners should be prepared for a range of experiences. Overall, expect a fun outing with caveats.
