The place from [New Westminster](#) offers **114** different **menus and drinks on the menu** at an average price of CA\$13. Despite mixed feedback, Burger King delivers typical [fast food](#) fare at this location. While the food is generally hot and tasty, some customers have noted issues with consistency and slow service. Access can be tricky due to mall parking, and long wait times have been reported at the drive-thru. However, the premises are clean with ample seating. Overall, it seems like a hit or miss experience depending on individual visits. If you're willing to overlook potential drawbacks, you might still enjoy a Whopper or their addictive mozzarella sticks when made correctly.
