The *menu of 8 Sushi* from Toronto includes **150** courses. On average the **courses or drinks on [the menu](#)** cost approximately CA\$7. You can view the categories on the menu below. 8 Sushi offers a solid dining experience with a wide variety of Japanese-style food available to order on iPads. While some reviewers recommended sticking to the all-you-can-eat option to avoid long wait times and issues with orders off the regular menu, others praised the handroll selection and grill options. The service received mixed reviews, with some noting it was cold and unfriendly while others found it fast and efficient. Despite the spartan decor and slightly higher prices compared to other AYCE options, most reviewers enjoyed the food and planned to return, making 8 Sushi a strong contender in the Danforth neighborhood sushi scene.
