On this webpage, you will find the **complete [menu](#) of Park Restaurant** from Westmount. Currently, there are **180** meals and drinks available. Park Restaurant offers a mixed experience, with some diners praising the delicious food and great drinks alongside good service, while others describe their experience as miserable due to slow service, unappetizing dishes, and high prices. The restaurant caters to different tastes, with some customers enjoying the spectacular taste of their sushi, while others find the food to be good but not outstanding. Despite mixed reviews, the restaurant is commended for offering celiac-safe options and providing a warm, friendly welcome to patrons. Overall, Park Restaurant seems to have a range of offerings that may appeal to different diners, but mixed reviews highlight the need for improvement in certain areas such as service and quality consistency.
