Spices restaurant has received mixed reviews lately, with some diners expressing frustration over long wait times and poor service. Despite these concerns, many customers highlighted the delicious food, generous portion sizes, and friendly staff. The restaurant offers a variety of Indian dishes, with standouts including the Celonese Chicken and Butter Chicken. Some have noted that the lunch buffet is a great option, while others have enjoyed the intimate atmosphere during dinner. Overall, while there have been some complaints about service, most customers have left satisfied with their dining experience at Spices.
