On this site, you will find the **complete menu** of Kelly's Pub from Pointe-Claire. Currently, there are **15** dishes and drinks available. Kelly's is a popular spot for sports enthusiasts to catch games, with fantastic food, but can be hit or miss with service and atmosphere. The place may have lost its charm with empty tables and rude owners, but the food quality remains high. Improvements could be made in the seating, hours of operation, and possibly revamping the menu. However, it's worth a visit for live music, diverse beer selection, and a vibrant atmosphere. The pub's patio is a perfect spot to enjoy a summer evening, making Kelly's a worthwhile destination for those looking to unwind with a cold beer and some good tunes.
