Here you will find the [menu](#) of **Piggy's Pub & Grill** in Saskatoon. At the moment, there are **25** meals and drinks on the menu. While the restaurant may attract a low-quality crowd, the nachos were lukewarm and lacking cheese. Service was slow, and the clientele was described as sketchy. But there were positive aspects, such as delicious food like the steak sandwich, friendly staff, and great entertainment. Some customers found the set-up odd and the service mediocre, while others enjoyed chatting with the new bartender. Overall, the restaurant has its ups and downs, making it a mixed experience for patrons.
