Here you will find the [menu](#) of Carl's Jr. in [Chilliwack](#). At the moment, there are **37** meals and drinks on the menu. Carl's Jr. in Chilliwack offers a disappointing experience for some. The food is overpriced and underwhelming, especially when compared to US locations. The decor is cool, but the quality of the food falls short. The mushroom burger is decent, but nothing special. Service can be slow, and burger temperature is inconsistent. With lackluster value for money, many customers don't plan to return unless requested by friends. However, some appreciate the friendly staff and enjoy the lively atmosphere. While the food may not stand out, Carl's Jr. still offers a decent [fast food](#) option in Chilliwack.
