Here you will find the [menu](#) of **Cusina Bistrot** in Guelph. At the moment, there are **44** dishes and drinks on the menu. A pleasant room, comfortable seating, and friendly service characterize the experience at this Guelph restaurant. Although the ambiance may suggest otherwise, the food selection is more Greek than Italian. The veal parmigiana may be disappointing for lovers of classic Italian fare, but Greek food enthusiasts will find delight. Despite its fancy interior, the food at this restaurant is excellent, especially the saganaki and the souvlaki dishes. Reservations are recommended due to limited seating. Overall, a fantastic dining experience with efficient service and a family-friendly atmosphere. A top spot in [Guelph](#) for breakfast, lunch, or dinner, offering flavorful Greek cuisine at reasonable prices.
