**The menu of Jamjar from Vancouver** comprises about **114** different dishes and drinks. On average you pay about CA\$15 for a dish / drink. Jamjar offers a vibrant atmosphere with vegan-friendly options clearly marked on its menu. Diners rave about dishes like the vegan sampler and Makali, alongside a memorable hummus trio. However, opinions diverge on the price point; many find the costs excessive for the portion sizes, particularly when a full meal necessitates ordering multiple dishes. While the food is praised for being fresh and flavorful, some patrons recommend exploring alternatives at other local eateries for a more satisfying and budget-friendly experience. Overall, it's a spot that may appeal to vegans but leaves others wanting more.
