This was my first visit to this restaurant but I'll definitely go back the next time I am in [Carbonear](#). We shared a dinner for two; the food was tasty, hot and plentiful. The staff members were very friendly and the environment was spotless and...beautifully decorated. stars!. What [User](#) doesn't like about Don's Restaurant:

been there twice on visits there „often enough „,yes „,food is not bad „,but „,the same thing over and over „,enough „,change something „,some desert to kill the taste „,something. At Don's Restaurant in Carbonear, you get a **plentiful brunch** for breakfast and can enjoy as much as you want, On the daily specials there are also a lot of **Asian meals**. Even if you are not very hungry, you could have one of the fine sandwiches, a small salad or another snack, there are also *oven-warm pastries*, complemented by a variety of cold and hot drinks.
