Had ordered off the menu over lunch. Food was fresh and tasteful. Honestly so hard to find good food like that in a small town. Even in Regina good Chinese food is rare. Family operated and fun well. Place is dated but the trade off is good food. What User doesn't like about The Dosu Wok:

Staff was friendly and restaurant was clean but the buffet was terrible. Couldn't cut the ginger beef or chew it, rice had hard chunks, and this was right when the buffet was served. Won't be stopping here again. The premises in the restaurant are wheelchair accessible and can also be used with a wheelchair or physical disabilities, Depending on the weather conditions, you can also sit outside and eat. If you're craving some spicy South American cuisine, you've come to the right place: delightful dishes, roasted with **fish, seafood, and meat**, though *corn, beans, and potatoes* are also on the menu, The customers of the establishment also appreciate the large selection of differing coffee and tea specialities that the establishment has to offer. The Asian fusion cuisine is also an important part of The Dosu Wok. Anyone who finds the everyday and generally known dishes too ordinary can here approach with a willingness to experiment and try some unexpected combination of ingredients taste, and you have the opportunity to try delicious American menus like **Burger or Barbecue**.
