What [User](#) doesn't like about James Chinese Restaurant:

My wife and I had dinner there based on the reviews we saw here and were disappointed. Food seemed bland compared to what we are used to having when ordering Chinese in our area. Place was clean and people were very friendly but food needed a boost. The restaurant is accessible and can therefore also be used with a wheelchair or physiological disabilities, Depending on the weather, you can also sit outside and eat and drink. Experience in James Chinese Restaurant from [Moose Jaw](#) the diversity of delicious Chinese cuisine, traditionally cooked in a wok, Furthermore, the customers love the successful combination of different dishes with new and partially experimental products - a good example of successful **Asian Fusion**. The meals are prepared typically Asian.
