Always received by the steve owner! nice atmosphere, simple but tasty menu. service a1. Sometimes you'd like a small variety in the menu. But the concept is like that. We love to go to eat quietly, bring our wine and spend a nice evening with friends!. What User doesn't like about Steak Frites:

I went to that restaurant three times. service is impeccable, 5 stars! However, the taste of the steak is not the height of a steak-frite, medium texture, very high price for quality. I tried a few cuts, all of them disappointed me.

When the weather is pleasant you can also be served outside, And into the accessible rooms also come customers with wheelchairs or physiological disabilities. Steak Frites from Saint-Jean-sur-Richelieu is a good place for a bar to have a beer after work and be able to sit with friends or alone, look forward to the typical delicious French cuisine. It should not be forgotten that there is a large selection of *coffee and tea specialties* in this restaurant, The versatile **Canadian dishes** are a hit among the guests of the local.
