Food and service are consistently good. Diner surroundings.. but Stella on tap! Good for families. Parking in lot or along the street if you have an RV. Just look for the PetroCan. [read more](#). What [User](#) doesn't like about Bright Spot Family Restaurant:

This place is terrible. It was freezing inside. the food was awful. Think cheapest bag of salad you can get from Walmart. I asked for a vinaigrette, they brought oil and white vinegar. The chicken burger wasn't cooked in the sauce, it was just squirted on afterwards. There were water glasses on the table but no one brought us any water. And they had wifi but wouldn't give us the password. [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physiological limitations, Depending on the weather, you can also sit outside and have something. The comprehensive selection of coffee and tea specialties greatly enhances the value of a visit to Bright Spot Family Restaurant, and the guests of the restaurant are thrilled with the **Greek dishes**. One also grills **South American** here with fresh fish, meat, as well as corn and rice, And of course, you should also try the *fine burgers*, with sides such as fries, salads, or wedges offered.
