Recommended to us from a friend, it was excellent. Wasn't real busy, we were attended to promptly and checked on several times throughout our time there. Very friendly staff and restaurant very clean. Nice view of the golf course from the big windows in the front. What [User](#) doesn't like about Jack's Kitchen:

Great food and prices, super annoyed how if your lucky they are open it is hit and miss. 2x I wanted to order for a special event(Birthday's) and had to be disappointed again. I like businesses I can depend on operating normal, nor oddly closing for long oeriods of time and just take their phones off the hook. Meal type: Other Price per person: \$1–10. When the weather conditions is nice you can also be served outside, and there is no-charge WLAN. The premises on site are accessible, and therefore no problem for customers with wheelchairs or physical limitations. With the extensive range of coffee and tea specialties, a visit to Jack's Kitchen becomes even more attractive, there are also [tasty vegetarian dishes](#) in the menu. The preparation of the menus is done typically Asian, Many visitors find it especially great that they can try the **versatile, flavorful Chinese cuisine**.
