Typically we enjoy a business luncheon at this restaurant at least once a week. It is in close proximity with my place of work, Emerald Park Homes. The food tastes as good as it looks. The presentation of the rolls is fantastic. The diverse menu has something for everyone. For you, Urban Sushi & Grill from White City prepares **tasteful Sushi (e.g. Maki and Sashimi)**, in many other versions, with fresh ingredients like fish, vegetables and meat, here the grill goods are freshly prepared on an open flame. You can also relax at the bar after meal (or while eating) and enjoy an **alcoholic or non-alcoholic drink**, and it is made with a lot of fresh vegetables, fish, and meat *easily digestible Japanese meals* cooked.
