Had a meal for 3 here, came to over \$80. I ordered the chicken souvlaki which came with a very small portion of chicken. The vegetables on the side seemed to be frozen and reheated by their texture. The rice was flavourless.

The food was served lukewarm. The only upside is a nice setting and fresh bread rolls. When the weather conditions are pleasant you can also eat outside. An additional service offered by the establishment is the [catering service](#) for visitors, Don't miss the chance to enjoy the delicious pizza, prepared straight out from the oven in an original way. Of course, we must not forget the large selection of **coffee and tea specialties** in this locale, and you can look forward to traditional *Italian cuisine* with classics like pizza and pasta.
