What [User](#) likes about Linh's Kitchen: I frequently go here for their smoothies. If you are hungry come ready to be full. I am skeptic about trying new places to eat but you won't be disappointed. Friendly staff, a bit of a wait if you are there for lunch but worth it. Kids love their breakfast & I love the spring rolls!. The restaurant and its rooms are wheelchair accessible and thus usable with a wheelchair or physical disabilities, Depending on the weather conditions, you can also sit outside and eat. **Freshly harvested mint, fine salad, sprouts and a splash of lime combined with rice noodles and meat** - all of this can be found not only during your vacation in Vietnam on the menu, but also when visiting the local Linh's Kitchen in [Whitecourt](#), The successful fusion of different dishes with fresh and occasionally daring products is highly valued by the guests - a nice example of Asian Fusion. The preparation of the dishes is done authentically Asian, the guests love having the chance to watch the latest games or races on the big screen in this *sports bar*, while also enjoying food and drinks.
