doesn't like about MIX Resto Bar:

Blue cheese salad had a good amount of chicken but the candied walnuts were off somehow (old?), nice mustard dressing and good amount of blue cheese. Scallops were disappointing (plain and covered in bread crumbs) although good sized Digby scallops. Crab cakes were sad - thin and mostly potatoes and a side salad without dressing. The restaurant and its premises are wheelchair accessible and thus usable with a wheelchair or physiological limitations. Depending on the weather, you can also sit outside and have something. A visit to MIX Resto Bar is particularly valuable due to the large selection of coffee and tea specialties, and you can look forward to the delicious classic [seafood](#) cuisine. Furthermore, you'll find scrumptious American meals, like for instance burgers and grilled meat on the menu. You'll find tasty **South American** menus also on the menu.
