What [User](#) doesn't like about Steven's Bar-BQ Restaurant:

I had visited this restaurant well over ten years ago and had a bad experience with inedible steak, but as time had passed I thought I'd give it another chance. Service is friendly, very attentive (a little too much really), and quick. Menu is from the 1980s but that actually makes a nice change sometimes. Not cheap but portions are very generous. All things considered I'll use it again. [read more](#).
