This restaurant was recommended to us by the hotel we were staying at and it did not disappoint. Both the food and service were good and it was open late so great for those who are traveling all day and eat around 9pm.

One of us is gluten free and two are dairy free and we had no problem finding options. [read more](#). What [User](#) doesn't like about Jose's Bar & Grill:

Clean, bright and new with an enthusiastic, friendly staff. Unfortunately the wide variety of cuisines is beyond the reach of the kitchen. Nothing stands out despite being priced and positioned as a mid to higher end restaurant. Better options exist locally. [read more](#). In beautiful weather you can even eat and drink in the outdoor area, And into the accessible rooms also come customers with wheelchairs or physiological disabilities. If you're looking for more excitement than just eating and drinking, you'll find it in this **sports bar**. Enjoy large and small snacks and meals and watch live football, tennis or Formula 1 games, The meat is freshly prepared here on an open flame.

Furthermore, you'll find scrumptious American dishes, like for instance [burgers and grilled meat](#) on the menu, Also, the drinks menu at this place is exceptional and offers a significant and comprehensive selection of both local and international beers, which are definitely worth a try.
