I love going to this place! The food is excellent and the atmosphere very relaxing. I don't think there's anything on the menu that isn't good. But my favourite is the pan fried haddock with mashed potatoes. The tomato hamburger soup is also a fave and go to for a nice light lunch. Desserts? Well the fudge brownie pie is to die for! What [User](#) doesn't like about The Goodwin Hotel:

I have never been impressed by this restaurant or food though I have eaten here several times. The food is okay and , yes, there is a smell of grease in the air. [read more](#). In pleasant weather you can even be served in the outdoor area, And into the accessible spaces also come customers with wheelchairs or physiological disabilities. The extensive variety of *coffee and tea specialties* greatly enhances the value of a visit to The Goodwin Hotel, and you may look forward to the fine classic seafood cuisine. You can also relax at the bar after the meal (or during it) and enjoy a **alcoholic or non-alcoholic drink**, Moreover, the enchanting desserts of the house shine not only on children's plates and in children's eyes.
