What [User](#) likes about Applebee's:

We ate a light supper. I had the chicken sandwich which was spicy. It was fine. My husband had the chicken wrap that was heavy on cheese light on chicken. I really liked the atmosphere of the restaurant and the service was very good. Food...More [read more](#). What [User](#) doesn't like about Applebee's:

I have been to this location before, I don't know if there has been a change in management but there certainly has been a change in the menu and prices. Combo lunches appear to be gone from their menu now. French onion soup was mediocre and caesar salad was poor. Service was good, premises are clean. [read more](#). In beautiful weather you can even eat and drink in the outdoor area, and there is complimentary WLAN. The premises on site are accessible, and therefore no problem for clientele with wheelchairs or physical disabilities. If you're craving for some tasty South American culinary arts, this is the place to be: tasty dishes, cooked with **fish, seafood delicacies, and meat**, but also *corn, beans, and potatoes* are on the menu, The guests of the restaurant also consider the comprehensive variety of differing coffee and tea specialities that the restaurant offers. There are also delicious American dishes, for example, burgers and grilled meat, In addition, the latest games or races can be watched on the big TV in this sports bar, which the visitors also love.
