What [User](#) likes about Prenup Pub:

I could not believe it I found westvletern 12 Belgium monk trappist beer here. This place has an immense election of beers for the beer geek or just for the lay person. Decent euro Germanic pub food. But the beers.....i was in heaven! [read more](#). What [User](#) doesn't like about Prenup Pub:

Celebrated some success with friends on the patio. Lots of beers to choose from and it got busy and kind of disorganized for our server. It got busy so I would suggest going early or opt for a poor seat. Lots of competition around here so if this place is full, try your luck down the street. There is. I place to enjoy yourself like the outdoors. [read more](#). When the weather is good you can also have something outside. If eating and drinking is too boring for you, go to this [sports bar](#) for a variety of small snacks and dishes and catch live football, tennis or Formula 1 games, Likewise, the guests of the establishment prefer the comprehensive variety of differing **coffee and tea specialities** that the establishment provides. Of course, the right drink to accompany a meal is a must; for this purpose, this **gastropub** offers you a large diversity of delicious, local alcoholic beverages like beer or wine, You shouldn't miss the opportunity to try the delicate pizza, baked straight out of the oven in an traditional manner.
