What **User** likes about Vito's:

I just pulled after moncton and asked some colleagues where I could have the best **pizza**. vito was recommended, so I went and checked it. it was very pleased that they offered a **pizza/paste** combo. grab the Lasagna/**Pizza** combo. the price was very affordable and it was super delicious. I will definitely go back to try other elements on their menu. **read more**. What **User** doesn't like about Vito's:

It tastes good. It smells amazing. I just don't get the point of huge chunk of dough on the ends. If you ignore that, it does taste good. Can be oily with bacon but still worth the price. **read more**. At Vito's in Moncton, **delicious pizza** is baked **fresh** using a time-honored method.
