The truck stop restaurant offers a great place for a family meal with lots of choices and homestyle specials. The convenience store with gas and a small park on location is perfect for kids. Reservations recommended, plenty of room and beautiful atmosphere. Mixed reviews on service, a long wait for food, and issues with ordering dessert. Some complaints about portion sizes for the price. Overall, an excellent lobster roll and good food quality. Friendly staff, clean environment, and delicious, reasonably priced dishes like fish and chips and fried clams. A hidden gem worth visiting if in the area.
