Debb's Place is clean, cozy and welcoming. It's a typical breakfast but it's fast and always good; I love the back bacon and I am pretty fussy about it not being a strong flavour. Waitresses are always friendly and offer frequent coffee fill ups. [read more](#). What [User](#) doesn't like about Debb's Place:

We went there for a Sunday morning breakfast with our teenage kids. The food was average at best, no fruit on the plates, just 2 eggs, a small helping of fries and 2 pieces of small toast, very plain, 2 of us got meat for an extra 2\$. The building is very nice and cozy and the staff was friendly, but it cost 50\$ for mediocre food, probably not gonna go back, unless I'm by myself and in a hurry. [read more](#). The rooms in the restaurant are wheelchair accessible and can also be used with a wheelchair or physical limitations, Depending on the weather, you can also sit outside and be served.
