I had potato leek soup. Really good and tasty. My wife had a quesadilla that she said was good as well. The restaurant had huge windows on both sides so there was plenty of natural light. A fireplace mantle in the far end added to the ambience. [read more](#). What [User](#) doesn't like about Rosario's Restaurant:

Was staying in the hotel across the street and went there a couple times. Was quite disappointed, as I had remembered it was much better in 2016... Only the fish was decent, but steak was quite poor. You can expect much much better when you eat out ! [read more](#). When the weather conditions is pleasant you can also eat outside, and there is complimentary WiFi. The premises on site are accessible, and therefore no problem for clientele with wheelchairs or physiological limitations. If you're desiring some zesty *South American cuisine*, you've come to the right place: delicious menus, cooked with fish, [seafood](#), and meat, though **corn, beans, and potatoes** are also in the menu, You can take a break at the bar with a [cool beer](#) or other alcoholic and non-alcoholic drinks. Of course, there's also delicious [pizza](#), baked straight from the oven according to original recipes, The typical **Canadian menus** are well received by the customers of the local.
