my wife have been there before but not lately so we went there for breakfast before shopping. We both had a great breakfast but mine was amazing, Minji Special. Poached eggs with sausage and rye toast on a bed of shredded hashbrowns. [read more](#). What [User](#) doesn't like about Minji's:

Minji's used to be my go to for fish and chips, and their poutines are great. Last time I was here, though, I waited over an hour for my lunch and was late for an appointment as a result. The owners are lovely people, so friendly. I once left something behind without realizing and the next time I went my belongings were returned to me by the owner, who recognized me. That was very sweet. Good food, friendly environme... [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physical disabilities, Depending on the weather, you can also sit outside and be served. Minji's, popular for its original Canadian meals, uses ingredients that are typical of the country, For a snack, you can also have the delicious sandwiches, small salads and other snacks. The ambiance of the **typical American Diner** makes the meal an unforgettable experience, Likewise, the visitors of the establishment prefer the comprehensive variety of various coffee and tea specialities that the establishment provides.
