This is a typical BYOB restaurant with a large menu featuring Greek-style meat with rice and salad, pasta, etc. Some of the food is heated from frozen, so the flavour is not always the best. The place also offers the possibility to sit outside and be served in pleasant weather, And into the accessible spaces also come visitors with wheelchairs or physical disabilities. If you want to a cocktail after work and hang out with friends, Le Vieux Canal from Sainte-Catherine is a good bar, the restaurant serves however also dishes typical for Europe. It should not be forgotten that there is a large selection of *coffee and tea specialties* in this locale, Also, the **Greek specialties** are also very popular with the visitors of the establishment.
