I recommend the salmon fish and chips. Delicious. You get choice of different varieties of fish with different prices. We also had the fish tacos. Our cod fish could have cooked longer. We liked the sauce. You ordered and within minutes it was done. Great for the price and it is right near the dock and park in Comox. [read more](#). What

[User](#) doesn't like about Surfside Fish and Chips:

The location of this establishment is wonderful. It is in the parking lot of the marina with seating on the grass of the park. So much fun to watch people, boats, kids etc. Playground on the other side of the field. The fish and chips are very tasty but we are always shocked at how expensive it is! We usually go once or twice a summer. [read more](#).
