For changing offers, please contact the owner of the restaurant directly. You can also contact them through their website. What [User](#) likes about Scoops Restaurant:

Scoops was like our breakfast location back home. VERY friendly staff. Food was cooked perfectly. Blueberry pancakes were overflowing with blueberries. I wish I would of found this place in my first day in Niagara Falls instead of my last. My family would of eaten there everyday! [read more](#). What [User](#) doesn't like about Scoops Restaurant:

Was really excited to try this place while in the area based on the photos and great reviews. It was a really hot weekend, and we were surprised that they didn't have air conditioning, just a fan and the front door propped open. We were...hot, but sweating is worth it for a good breakfast. Our server was friendly and considerate, but the food was meh. Only one of the kids in our group enjoyed the waffle. The hash bro... [read more](#). When the weather is nice you can also have something outside, And into the accessible spaces also come visitors with wheelchairs or physical limitations. WiFi is available at no extra cost. To enjoy and for a moment to have the feeling of being in Hollywood; that's always possible in this *genuinely styled equipped diner*, The traditional Canadian dishes are a hit among the guests of the restaurant. Not to be left out is the large diversity of **coffee and tea specialties** in this locale, **delicious [vegetarian](#) meals** are also in the menu available.
