We came on a very busy Sunday afternoon and were told by the only waitress in the place that she would be with us but that she would be a while. She was right, it took a long time. But it was worth the wait (for most of the items). My mom had the fish tacos that were on special but was not impressed by them. A bit plain and dry. We finished off our meals with a couple shared desserts. The carrot cake was good but the... [read more](#). What [Idell Wiza](#) doesn't like about Blackbird Cafe:

This place used to be THE place to go especially for a special occasion. It was always expensive, but worth what you were paying for. I don't know why, but it appears the portions have changed and the food is just not the same. [read more](#). When the weather conditions is good you can also eat and drink outside, and there is complimentary WLAN.
