A comprehensive [menu](#) of Ali's Grill & Bar from New Liskeard featuring all 44 menus and drinks can be found here on the menu. Ali's restaurant in New Liskeard offers a unique pasta experience where customers can create their own dish. However, some diners found the portion sizes limited, especially when it came to vegetables and additional toppings. Despite this, the restaurant accommodated special requests, such as cooking pasta without butter for a lactose intolerant child. On the other hand, a steak special left one group underwhelmed, with thinly sliced sirloin and lackluster sides. Another reviewer noted that while the menu had some frozen items, friendly service and nice presentation saved the overall dining experience. Other highlights included a delicious salmon entree, excellent steak dinner on Saturdays, and top-notch customer service from wait staff like Sherry. The crispy fish wraps were a hit, along with home-cut fries and great tea. The restaurant itself had an upscale feel with well-prepared food and drinks, making it a popular spot for celebrations. Overall, patrons praised Ali's for its top-notch service, delicious food, and cozy ambiance, making it a recommended dining destination in New Liskeard.
