A comprehensive [menu](#) of Pecherie Manicouagan Resto Bistro from Baie-Comeau covering all 42 dishes and drinks can be found here on the card. Discovering the hidden gem of a fishery in Baie-Comeau offers a mixed bag of reviews. While some diners found the Lobster sandwich club lacking in lobster content and others criticized the preparation of their [seafood](#) dishes, there were shining moments with dishes like shrimp poutine, spaghetti shrimp, scallops, and fish and chips. The cozy atmosphere, fast and friendly service, and unique menu items like torte sucre and honel sauce also received praise. Overall, the restaurant seems to have potential but may need some adjustments in terms of food quality and gluten allergy accommodations.
