When the weather conditions is pleasant you can also have something outside, and there is no-charge WLAN. Want to spice up your eating and drinking routine? Come to this [sports bar](#) and enjoy a variety of large and small snacks and meals while watching live football, tennis or Formula 1 games, because just eating and drinking is too dull!, They also present nice **South American** menus to you in the menu. Furthermore, you'll find delicious American menus, like for instance **burgers and grilled meat** on the menu, look forward to the typical fine French cuisine.
