Here you can find the [menu](#) of Vito's Pizza & Restaurant in Moncton. At the moment, there are **32** menus and drinks on the food list. Vito's, a long-standing favorite in Moncton, has recently faced some changes that have left loyal customers feeling disappointed. Since the passing of patriarch Costa Georgoudis, the restaurant seems to have lost the magic it once had. Regular customers have noticed a decline in the quality of their beloved pizza, with smaller sizes, tasteless sauce, and disappointing crusts being the main complaints. While some new customers have had a negative experience with dishes like seafood alfredo and salads, others have found the classic [pizza](#) to be just what they needed after a long day of sightseeing. Despite the recent changes, Vito's still offers a varied menu with something for everyone's taste, and the staff remains friendly and helpful. Overall, opinions on Vito's seem to be mixed, with some longtime fans feeling let down while others still enjoy the classic Italian dishes the restaurant has to offer.
