What [User](#) likes about Olly Fresco's: I love this spot for lunch! You can order sandwiches or pick from the amazing buffet options! The food is always really fresh and delicious, and there are always healthy options. The menu rotates on a weekly schedule and features comfort foods like chicken stroganoff, lasagna, butter chicken, turkey and stuffing, etc etc... Every day there are choices galore. Go early to avoid the lunch rush. [read more](#). What [User](#) doesn't like about Olly Fresco's:

I really liked being to pick from the salad bar and hot food buffet - made myself a nice healthy salad with a piece of fish. Food looks fresh and there is great variety. Only downside was the flavour was rather bland, but that could be just me. Your container is priced by weight, so a caution to not load up on the heavy starches! Very busy so recommend getting there before noon if possible. [read more](#). A visit to Olly Fresco's becomes even more rewarding due to the large selection of coffee and tea specialties, The original Canadian meals are a hit among the customers of the restaurant. In case you want to have breakfast, a **tasty brunch** is offered to you.
