Our Favorite place to go for breakfast! The staff are friendly, the service is great. The prices are very reasonable and the food is good old fashioned comfort food! The only downer lately is that the parking lot is lousy and its hard to get parking...lately we've had to go elsewhere because we just couldn't get a spot! [read more](#). What [User](#) doesn't like about Rivers Restaurant:

Fish and chips were awful. The fish was overcooked and batter was beyond crispy and so dark and dry. Fries were also overcooked and dry. Not even a little coleslaw on the side. Friend had the clubhouse which looked okay, real meat, not deli meat which was a plus. Previously we've been for breakfast which was not bad. [read more](#). The rooms on site are wheelchair accessible and can also be used with a wheelchair or physical limitations, Depending on the weather, you can also sit outside and have something. The chance to enjoy and feel like you're in Hollywood; that's doable in this **lovingly designed diner**, The yummy sandwiches, healthy salads and other snacks can be planned well as a snack. It should not be forgotten that there is a comprehensive variety of *coffee and tea specialties* in this restaurant, for breakfast they serve a extensive breakfast here.
