The place from Vancouver offers **71** different meals and drinks on [the menu](#) at an average price of CA\$9. What [Gerda Schumm](#) likes about Thai Away Home - Granville:

I would rate it between 3 and 4. The flavour was great and delivery was quick, food was hot! You can taste the dish was made in a wok! I felt the dish was too oily. I recommend adding fresh bean sprouts as garnish and a wedge of lime on the side. As for ordering options, let guests choose the spice level, I'd love to see some chilli flakes in the dish. Adding utensils is a nice touch also. [read more](#). The restaurant and its rooms are wheelchair accessible and thus reachable with a wheelchair or physical limitations, and there is free WLAN. What [Lyndsey Wong](#) doesn't like about Thai Away Home - Granville:

Thai noodle soup was ok. Hot and sour soup wasn't the greatest, but meat portions were good (although chicken was rubbery). The amount of soup was ridiculously little compared to the noodles and when I asked they wanted to charge me \$2 for a broth top-up. Not super impressed. [read more](#).
